

std::true\_type

A diagram illustrating inheritance. A blue arrow points from a grey box at the bottom to a white box at the top. The white box contains the text 'std::true\_type'. The grey box contains the text 'KBLIB\_NS::mapped\_detected < T, void\_t< typename T ::mapped\_type > >'.

```
graph BT; A[KBLIB_NS::mapped_detected < T, void_t< typename T ::mapped_type > >] --> B[std::true_type]
```

KBLIB\_NS::mapped\_detected  
< T, void\_t< typename T  
::mapped\_type > >
