

std::exception

```
graph BT; A[std::exception]; B[Catch::GeneratorException]; B --> A;
```

The diagram illustrates an inheritance relationship. At the top is a white rectangular box with a black border containing the text 'std::exception'. Below it is a gray rectangular box with a black border containing the text 'Catch::GeneratorException'. Two blue arrows originate from the top edge of the gray box and point upwards to the bottom edge of the white box, indicating that 'Catch::GeneratorException' inherits from 'std::exception'.

Catch::GeneratorException
