

Catch::TestCaseInfo

```
classDiagram
    class Catch_TestCaseInfo["Catch::TestCaseInfo"]
    class Catch_TestCase["Catch::TestCase"]
    Catch_TestCase --|> Catch_TestCaseInfo
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text "Catch::TestCaseInfo". The bottom box is white with a black border and contains the text "Catch::TestCase". Two blue arrows originate from the top edge of the bottom box and point upwards to the bottom edge of the top box, indicating an inheritance relationship.

Catch::TestCase
